

The two-day Hogan Assessment Certification Workshop

provides an in-depth understanding of how to administer, interpret, and implement the Hogan assessment suite. The workshop provides a comprehensive tutorial on three Hogan inventories—Hogan Personality Inventory (HPI); Hogan Development Survey (HDS); and Motives, Values, Preferences Inventory (MVPI). Participants attending both days and successfully completing the workshop will be certified to use the Hogan inventories.

**Tuesday, July 22, 2008 : 8am-5pm &
Wednesday, July 23, 2008 : 8am-3pm**

**Georgia Tech Global Learning Center
84 Fifth St. N.W., Atlanta, GA 30308**

\$2,100.00 per participant*

The Hogan Assessment Certification Workshop includes many valuable benefits for each participant:

- A free personal assessment and one-hour feedback session with a Hogan consultant (> \$900 value).
- A paperback copy of The Hogan Guide (\$75 value) and access to three technical manuals (HPI, HDS, and MVPI; \$165 value)
- Two free assessment IDs to be used after the certification workshop (> \$800 value).
- Free account set-up on our new assessment platform, Hogan Assessment Link Online (HALO), to administer the three assessments online (HPI, HDS, and MVPI) and receive reports via e-mail (\$450 value).
- Two days of certification by Hogan consultants who have multiple years of assessment administration and interpretation experience.
- Free ongoing access to Hogan consultants for difficult assessment interpretations and implementation questions.

*Also, we are offering an optional “Hogan Development Feedback Certification” for an additional \$500. This second certification is recommended for those participants who will be coaching or delivering feedback to candidates, and the certification work is done post-workshop. Participants who successfully complete a simulation-based practice feedback session with a Hogan coach will receive a certificate acknowledging completion of additional training focused on providing professional development feedback using our three inventories.

The Hogan Assessment Certification Workshop teaches participants to use three Hogan inventories:

- **Hogan Personality Inventory (HPI)**, which evaluates personality characteristics that people need to get along and get ahead (i.e., job fit).
- **Hogan Development Survey (HDS)**, which identifies factors that impede career success (i.e., management fit).
- **Motives, Values, Preferences Inventory (MVPI)**, which assesses business drivers and core values for individual fit within a corporate culture (i.e., organizational fit).

The Hogan Assessment Certification Workshop enhances each participant’s interpretive skills through advanced case studies, applied feedback, and coaching.

- Participants will conduct detailed interpretation and analysis of assessment results.
- Participants will give comprehensive feedback on the HPI, HDS, and MVPI in group and individual settings.
- Participants will learn best practices concerning assessment use and interpretation.
- Successful demonstration of data interpretation and feedback proficiency will lead to documented certification on the Hogan inventories.

DEVELOPMENT PROGRAMS

HOGAN ASSESSMENT CERTIFICATION WORKSHOP

The workshop fee includes all materials, lunches, and snacks. Travel, lodging, and transportation expenses are the responsibility of the participant. Although Hogan Assessment Systems has not contracted with a hotel for accommodations, a list of preferred and recommended hotels near the workshop location are as follows: The preferred hotel is the Georgia Tech Hotel and Conference Center, which is adjacent to the Global Learning Center. Other recommended area hotels are the Georgian Terrace Hotel, Regency Suites Hotel, Hotel Indigo, and Renaissance Atlanta Hotel Downtown. When booking your guest room, remember to ask for the GA Tech rate at these hotels. More information about each hotel is available upon request.

Register as soon as possible for the Hogan Assessment Certification Workshop. The workshop has restricted seating to ensure a high-quality learning environment.
