

DEVELOPMENT PROGRAMS

HOGAN ADVANCED WORKSHOP: DEVELOPMENT

The one-day Hogan Advanced Workshop: Development

will provide in-depth instruction regarding how to use the Leadership Forecast Series, including the Coaching Report, to build an individual development plan that can serve as the foundation for a coaching engagement. Workshop participants will learn about the Hogan Performance Model and how it can be used as a basis for integrating assessment data from a variety of sources. These data can be used to structure development objectives and outline development activities designed to improve individual performance.

As a prerequisite for Hogan Advanced Workshops, participants must have successfully completed the Hogan Assessment Certification Workshop. Participants will also receive pre-work to be completed prior to the Hogan Advanced Workshop.

September 21, 2010 : 8am-5:30pm

Followed by an evening reception and discussion (5:30pm-7pm)

**Georgia Tech Global Learning Center
84 Fifth St. N.W., Atlanta, GA 30308**

\$1,195.00 per participant

The Hogan Advanced Workshop: Development covers these learning objectives:

- Identify a range of coaching challenges and how they relate to the Hogan inventories
- Understand and incorporate the Hogan Performance Model in predicting job performance behaviors
- Identify important configural interpretations of within and between the Hogan personality inventories
- Practice incorporating other forms of assessment data (e.g., 360°, cognitive data) with Hogan assessment data
- Critically evaluate and analyze a master coaching case that utilizes multiple data sources
- Identify and describe five development strategies for performance improvement derived from the Hogan personality inventories
- Collaborate and discuss coaching strategies and techniques with other Hogan-user professionals
- Identify and support client needs in using the Hogan Leadership Forecast Series for development

The Hogan Advanced Workshop: Development will enhance each participant's ability to use Hogan inventories along with our most comprehensive and detailed reports—the Leadership Forecast Series—to plan, implement, and truly accelerate individual development. Join us for this unique workshop where the participants and facilitators will be experienced users of Hogan inventories and will bring knowledge to bear on the challenges associated with individual development.

HOGAN ADVANCED WORKSHOP: DEVELOPMENT

DEVELOPMENT PROGRAMS

The workshop fee includes all materials, lunches, and snacks. Travel, lodging, and transportation expenses are the responsibility of the participant. Although Hogan Assessment Systems has not contracted with a hotel for accommodations, a list of preferred and recommended hotels near the workshop location are as follows: The preferred hotel is the Georgia Tech Hotel and Conference Center, which is adjacent to the Global Learning Center. Other recommended area hotels are the Georgian Terrace Hotel, Regency Suites Hotel, Hotel Indigo, and Renaissance Atlanta Hotel Downtown. When booking your guest room, remember to ask for the GA Tech rate at these hotels. More information about each hotel is available upon request.

Register as soon as possible for the **Hogan Advanced Workshop** as the workshop has restricted seating to ensure a high-quality learning environment.
