

Julie Shuman, Psy.D.
Hogan Coaching Network

Background

Dr. Julie Shuman draws on over 26 years of practical and psychological experience across multiple industries and sectors. She comes to the table with a unique skill set that encompasses industry and consulting, as well as clinical experience. This unique perspective provides an equally unique coaching and consulting experience for her clients.

Julie's corporate experience includes Big Four consulting with Fortune 500 companies, as well as holding technology and accounting leadership roles in the retail, wholesale and pharmaceutical industries. Her doctoral level work in clinical psychology included expertise and theory development in corporate relationships and team effectiveness. Dr. Shuman overlays her psychological knowledge and intervention skills with her business acumen to facilitate meaningful growth and change aligned with business goals.
