Coaching Profile

Manzar Bashir
Hogan Coaching Network

Background

Manzar works with leaders and managers to help them understand their true potential, and make informed developmental and career decisions through cutting-edge assessment insights and powerful coaching.

With a successful 15-year track record in global business, Manzar has a natural knack for understanding client context before moving on to next steps. This leads to a unique rapport and sense of direction that guides bespoke development plans and sustainable steps for growth.

Manzar has gained an in-depth understanding of the needs and cultural norms of a variety of industries, enabling him to successfully coach a variety of personalities and identify key opportunities for development through powerful Hogan assessment and coaching solutions.

Manzar firmly believes that self-development and awareness are neverending, and that we just need to find the spark and the right support to excel and keep moving in the right direction.
