

Margaret Butteriss

Coaching Profile

Margaret Butteriss M.Sc (Econ)
Hogan Coaching Network

Background

Margaret is a senior level global executive coach and leadership development and organization effectiveness consultant. An expert in the field since 1978, she has worked with leading multi-national companies in the US, Canada, and Europe, as a senior management team member and consultant. Her 30 years of hands on global business experience and knowledge, combined with her executive coaching experiences, enable Margaret to offer her clients insights into leading and managing global and domestic organizations and meeting the challenges faced during business and personal transitions.

Margaret is an accomplished writer and speaker. She has published *Coaching the MVP: Developing your High Potential Employees*, Jossey Bass, 2008 and has co-authored the book *Corporate MVPs: Managing Your Company's Most Valuable Performers*, John Wiley. She authored *Reinventing HR: Changing Roles to Create the High Performance Organization*, John Wiley and Sons, Canada Ltd and *Help Wanted: The Complete Guide to Human Resources for Canadian Entrepreneurs*, John Wiley.
