

Simone Jagniaszek

Coaching Profile

Simone Jagniaszek
Hogan Coaching Network

Background

Simone is a business psychologist with more than 12 years of experience as a consultant, trainer, and organizational developer. Simone also is a qualified therapist. She coaches individuals in developing strategic self-awareness, supports teams in increasing their effectiveness, and consults organizations in planning and implementing assessment and development programs.

Simone has been using a very diverse portfolio of psychometric tools and methods. She has applied the Hogan portfolio on different levels and across different industries and functions. Simone's facilitation style is engaging and interactive, and she is known for being supportive, pragmatic, and to the point.

Simone has worked in Europe, US, and Asia-Pacific, and is fluent in German and English.
