

Tara Kimbrell Cole

Coaching Profile

Tara Kimbrell Cole, MA
Hogan Coaching Network

Background

Tara Kimbrell Cole is a leadership executive coach whose chief executive experience in business enables her to assist clients in Asia and Europe. She is an expert in the fields of leadership development and organizational learning. Coaching senior executives and high-potential leaders in the world's foremost corporations, she is recognized for facilitating and coaching leadership challenges with systemic organizational solutions.

Tara is a strategic thinker who facilitates executive development from high-potentials to C-suite leaders. Her business leadership and direct experience in multiple Asian countries enhances her coaching of executive leaders in culturally sensitive, matrixed, and cross-cultural fluid environments.

Tara is a board member of the Global Association of Society for Organizational Learning Communities (Global SoL), a network to promote systemic learning for the development of individuals, their organisations, and society. Since 2007, she has been an approved consultant by the Council of Trustees of Founding SoL (chaired by Peter M. Senge Ph.D.).
