Background

Karin Fulton is an accomplished leadership consultant and executive coach with 20 years of experience providing human capital solutions to a variety of industries: financial services, transportation, manufacturing, health insurance and technology. She has provided organizations with individual assessment services, executive coaching and development, valid selection processes, and team-based improvement strategies. Dr. Fulton brings a strong understanding of human behavior in the workplace to the development of leaders. A practical and results-oriented approach allows her to effectively partner with executives, line managers, and staff professionals.

Professional Experience

Principal and Founder, Assessment & Development Concepts, Inc.

Human Resources leadership positions, CitiStreet, Barnett Banks, Humana and CSX Transportation

As a leadership development consultant with these organizations, Karin worked with executives to assess talent, enhance self-awareness, and create development plans. She has used the Hogan Assessment Suite since 1994.

Adjunct faculty member, Nova Southeastern University and Webster University

Education

PhD, I/O Psychology – University of Tennessee
